The school must be notified if you have given your child any medicine before arriving at camp. Under the medication policy this allows us as staff to be aware of any possible side effects that may occur. If we are not aware of a medication administration, we cannot safely guard your child in the manner that has been set forth in the policy.

In the event it is necessary for your child to be medicated during camp hours a parent/guardian must come to Ware Academy to administer the medication to their child. Under no circumstances can a camper administer medicine to themselves, including cough drops.
