

## TRANSCRIPT RELEASE FORM

Dear Parents:

Before evaluation of your child's application for admission to Ware Academy can be undertaken, it is necessary that we have a transcript and recommendations from his/her present school. Federal Law requires that parental permission be obtained before academic credentials can be released from one school to another. Consequently, it is requested that permission be given by completing this form and giving it to your child's school without delay so that the necessary records can be made available to our admission office.

*Ware Academy will only accept sealed transcripts mailed directly from the student's school.*
